## FRENCH AS A FOREIGN LANGUAGE TEACHER

Passionate about the richness of the French language and culture, I share them with diverse audiences. Adapting to students and listening to their needs are my priorities.

Drawing on my experience in education, I prepared and led French as a Foreign Language courses for students of all levels and for a variety of objectives since 2014.

Having lived abroad for six years, I taught French language in the local primary and secondary school system. I also taught French as a Foreign Language at the French Embassy and participated in French nationality exams.

Finally, I have worked for 30 years in the national french school system.
